# Stor 'N Tow System

*The Bodies of Tomorrow Can Be Built Today*

Upgrade your fleet with Astoria's Fiberglass **STOR 'N TOW System** for increasing truck bed functionality. Experience efficient loading of everything from construction supplies to industrial equipment, vending machines, water tanks, and more. Turning your trailer is no problem due to its ultra-low profile design, and stored items can be retrieved while trailer is hitched.

The **STOR 'N TOW System** is an Astoria Fiberglass Utility Body teamed up with an 84", 60" or 56" CA cab chassis, and it's a winning combination! This low maintenance, sturdy unit includes:

- Steel or aluminum floor
- Heavy duty towing bumper
- Aluminum tailgate
- Aluminum tube cab guard with expanded metal screen
- Molded fiberglass compartments are 24" high and built with heavy duty reinforcement for rough service.
- Store your equipment in compartments configured the way you need them to be. Secure, organized storage!
- Flip tops with lift-out bins and dividers allow you to take the items you require to the worksite, and are keyed like the body.

Everything you need to get the job done is at your fingertips when you have an Astoria **STOR 'N TOW System**. Other design features and options include:

- Keyless Electric Locks or Gang Locks System
- Variable Compartment Depths up to 24" deep
- Integrated Fender and Side Pack, a Solid One-Piece which acts as a Gusset to Prevent Cracking
- A Variety of Fiberglass or Aluminum Shelving Options
- Hinges are Heavy Duty Stainless Steel with Stainless Steel Bolts
- Specially Designed Latches are Stainless Steel Rotary Two-Stage
- Adjustable Strikers with Stainless Steel Plates
- Nuts are Self-Locking
- Doors are Double Laminated, Hollow Core, Reinforced, Warp-Proof and Keyed Alike
- Automotive Bulb Gasket Door Seals for Weather Tight Compartments
- Low-Maintenance Gelcoat Finish is Resistant to Rust, Chemicals and Peeling
- Fiberglass is 30-35% Lighter than Steel, allowing you to Reduce the Weight while Maintaining Strength, Durability and Long-Lasting Appearance

**5 YEAR LTD. WARRANTY.**
